

2008 Book List for MED Courses Master of Education Program

Books may be ordered on line from the college bookstore, The Tuck Shoppe or from any other textbook supplier. Please be careful to order the correct text and edition for each course. You'll find a link to the Tuck Shoppe on the registration section of the MED website and in each MED course folder. If you have questions, please contact Becky Strothers, Manager, Tuck Shoppe; 706.419.1110; tuckshoppe@covenant.edu.

Listed below are the texts required for each MED course. Notice: some textbooks are used for multiple courses but only one copy would need to be purchased.

Note: Pre-campus materials, such as a letter from your professor, syllabus, articles, handouts, etc., unrelated to purchased texts are available on the MED website. Once you have registered, you'll receive a password to access pre-campus course materials for each course in which you are enrolled. If you have questions, please contact Rebecca Dodson at rebecca.dodson@covenant.edu, or 706.419.1406.
